

Are you **READY-**

To help others navigate their path?

NAMI Valley of the Sun is looking for adult peers, in recovery, who are interested in co-facilitating a NAMI Connection Recovery Support Group. You will be trained as a facilitator using the NAMI Connection program model and will be provided with ongoing support from the organization.

As a facilitator, you will instill hope, be part of an amazing organization, and inspire group participants to accomplish their recovery goals. You can do great things because of your diagnosis, not in spite of it. We sometimes feel that because of our mental health symptoms, our life is limited with regard to what we can do. What we can do is only limited by our beliefs!

If interested, please contact:
