This award winning 60-90 minute presentation is intimate and candid.

It includes a short video, personal testimony, and a question and answer period that allows for honest and open dialogue. It is designed to enrich the audience's understanding of how individuals cope with the reality of their illness while recovering and reclaiming their lives.

*And most importantly...*

that Mental Illness affects millions of people (including famous people) and are treatable!

*"The individual is capable of both great compassion and great indifference. He has it with his means to nourish the former and outgrow the latter."* - Norman Cousins
